

### **2015 New York Law Enforcement Challenge**

The New York Law Enforcement Challenge Awards Ceremony was held on October 20, 2015 at the Highway Safety Fall Symposium in Binghamton, NY. The Law Enforcement Challenge is an innovative awards program sponsored by the International Association of Chiefs of Police and Governor's Traffic Safety Committee that annually recognizes outstanding performance and contributions in traffic safety. The program provides law enforcement agencies with an opportunity to make a difference in the communities they serve through traffic safety activities, ultimately reducing injuries, saving lives, and detecting and deterring crime. The friendly competition between law enforcement agencies of similar size and type focuses on state and national traffic safety priorities that includes occupant protection, impaired driving, speed awareness, and traffic safety issues identified as a problem in their state or locality.
